## SPACEMAKER PANELS

### DESCRIPTION

This 1 ½” acoustic panel is specifically designed for use with our Environment Design workstations or your existing furniture. Available in standard or custom sizes and three grades of fabric. Solid oak borders two sides (matching oak cap is optional). Accessories include hang on shelving, transaction counters, and T-feet for free standing panels. The Spacemaker series is the versatile, economical solution to your office needs.

---

### SPECIFICATIONS

Thickness	1 ½”
Infill	¾” center septum covered with FR grade foam (meets or exceeds California fire testing regulations).
Edge Trim	Kiln dried oak ¾” x 1 ½” beveled at 45° angle.
Oak Finish	Catalyzed, stain resistan laquer finish.
Fabric	All fabrics meet or exceed California Flammability requirements.

## SPACEMAKER PANELS

### **WARRANTY**

St. Johns Panel Systems warrants that if any of its Spacemaker panels and panel components are found to be defective due to faulty materials or workmanship, St. Johns Panel Systems will repair or replace (at its option) the item as originally supplied for TWENTY YEARS from the original order date. This warranty is extended to the original purchaser only and written notifications must be sent within 30 days of observing defect. Any damage due to mistreatment or neglect is not covered by this warranty. An inspection by an authorized dealer or agent may be required to confirm details of said defect. Under no circumstances will St. Johns Panel Systems warranty exceed the price of the defective goods. Slight variances in wood stains or fabric colors due to dye lot changes are not covered by this warranty.
