18. Wardrobe and Storage
19. Wardrobe and Storage
20. Panel Mounted Transaction Tops
21. Accessories
22. Accessories

# CENTRE~POINTE WORKSTATIONS

## TERMS AND CONDITIONS

In most cases, terms shall be net 30 from invoice date on approved credit. First time customers require a 50% down payment and /or shortened terms until established. A late charge of 1.5% will be charged each month on all past due invoices. Unpaid invoices will be turned over to the collection agency of our choice.

**A 50% deposit is required on all orders containing custom product. This deposit is non-refundable once production or material ordering has commenced.**

### Credit

St. Johns reserves the right to change its terms of sale, based on change of customers credit history. Customer will be notified by mail if terms are to change. If new terms are dictated, they shall become effective immediately.

### Orders

Orders must be mailed or faxed and must include a signed purchase order number and floor layout whenever applicable. Also include shipping requirements (destination, carrier, etc.). Confirmation of orders will be sent by St. Johns with all applicable information, including approximate shipping date.

### C.O.M. Orders

(Customers Own Materials) – A material or fabric other than that normally used by St. Johns may be substituted if approved by the factory. Purchaser must submit a sample prior to ordering. St. Johns assumes no responsibility for the wearability of C. O. M. and is applied entirely at customer's own risk.

### Changes/Cancellations of Orders

Any changes or cancellations of orders **MUST** be received by mail or fax to avoid error and /or duplication. Changes or cancellations may not be accepted or may be subject to an additional charge.

### Merchandise Returns

Once approved by St Johns, a restocking charge of 25% will be incurred providing all merchandise is returned to our factory in the same condition as it left. No credit will be issued if an item cannot be re-used. Custom orders are not returnable. Customer Service Department must be notified, and return authorization given, before any returns can be allowed. All returns must be shipped "**prepaid**".

### Shipments

All orders are shipped F.O.B. our factory, unless otherwise noted. St. Johns will choose the appropriate cartoning, and freight carrier. If customer chooses a carrier not on account with St. Johns, that customer agrees to handle any and all freight claims that should arise and agrees to handle the shipment on a "**freight collect**" basis.

### Damaged Merchandise

All merchandise is carefully inspected before leaving the factory. The consignee must file any claims for damage or loss in transit. Carrier's receipt in good order constitutes delivery. All "error in shipment" claims must be made within 10 days after receipt of shipment.

### Code Restrictions

Due to varying local building and fire codes, the customer is responsible for the proper application of the St. Johns product.
